What are the benefits Students can gain from the Covid-19 vaccine?

No need to quarantine!

If you are exposed to Covid, you won't have to spend time away from sports, extracurriculars, and school unless you have symptoms.

Sports & Clubs

Easily participate in sports and clubs with fewer restrictions.

Get Some Fresh Air

Vaccinated friends can be together outside without masks or social distancing.

Hug Your Family & Friends

You can be with family and friends without having to worry about making them sick.

Be a Hero

Protect your parents, grandparents, and siblings.

Return to Normal

Getting the vaccine is a BIG step toward returning to many of our pre-Covid freedoms.
