 Alpine County MJHMP revised for Board adoption 08.07.2018

Body

**WHEREAS**, Alpine County has historically experienced severe damage from natural and human-caused hazards such as flooding, wildfire, drought, thunderstorms/high winds, and hazardous materials incidents on many occasions in the past century, resulting in loss of property, economic hardship, and threats to public health and safety; and

**WHEREAS**, the Alpine County Multi-Jurisdictional Hazard Mitigation Plan (the Plan) has been developed after more than two years of research and work by the Community Development Department in association and cooperation with a multi-agency Local Planning Team for the reduction of hazard risk to the community; and

**WHEREAS**, the Plan specifically addresses hazard mitigation strategies and plan maintenance procedures for Alpine County; and

**WHEREAS**, the Plan recommends several hazard mitigation actions/ projects that will provide mitigation for specific natural and human caused hazards that impact our community with the effect of protecting people and property from loss associated with those hazards; and

**WHEREAS**, The Alpine County Multi-Jurisdictional Hazard Mitigation Plan will not result in a direct or reasonably foreseeable indirect change in the environment (Section 15060(c)(2) of the CEQA Guidelines) and is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment (Section 15061(b)(3) of the CEQA Guidelines; and

**WHEREAS**, public input was gathered through meetings, the Alpine County, Hazard Mitigation website and media outlets to garner comments and collect input as required by law.

**NOW, THEREFORE, BE IT RESOLVED, BY THE Board of Supervisors of the County of Alpine, State of California, that:**

1. The Plan, included as Exhibit A to this resolution, is hereby adopted as an official plan of Alpine County; and
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions based upon availability of resources; and
3. Future revisions and Plan maintenance required by the Disaster Mitigation Act of 2000 and FEMA, are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution; and
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the, Board of Supervisors by October 31<sup>st</sup> of each calendar year.
