

ALPINE COUNTY LIBRARY NEWSLETTER

2024 at the Library

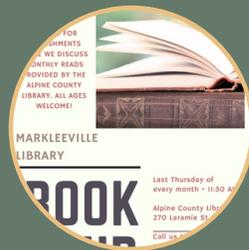

Alpine County Library consists of our Markleeville branch, our Bear Valley branch, and our Bookmobile which all offer current materials, engaging programs, and general community support. We have Little Free Libraries and book returns around the county & we love coming to community gatherings to share our resources and free offerings.

Our libraries are here for your community meeting needs, to offer physical and digital resources, and to support learning, exploration, and happiness! We are so lucky to be moving into this year with amazing community partnerships and patrons who support our libraries.
