a newsletter once again!  
Sign up for library news,  
updates, and events [here!](#)*

## October Events & News

- Thank you to all who came out to our spooky film and pizza night at Markleeville Library! It was a busy night and we love knowing there is a demand for more!
- We now offer fiber arts kits and sewing machines for check-out at both locations! Learn to crochet an octopus or bookworm! Join us at the Markleeville Library the third Thursday of every month from 2:30-4pm for our fiber arts club where materials are available, or you can bring your own project and enjoy refreshments and creative company!
- Trick-or-treat at Bear Valley on the afternoon of October 28th!
- Gather at Markleeville Library at 4:30 on October 31st for the parade and festivities!

Download the free app, select Northnet Library, and use your library card number to start listening today!
