## ARTIST RECEPTION

### Prisms Artist Reception with Arts & Culture

#### Art Reception Details

Join us on August 3, from 1-3pm for our Prisms exhibit reception.

Artists' talks will start at 1:45 pm and art will be on full display with light refreshments.

#### Amanda Ohm

I was born and raised in the San Diego area and currently live and create in a beautiful mountain community near Lake Tahoe. Loving all things creative and unique, I have been honing my artistic interests since birth, focusing on wire art for the last 14 years. From earrings and pendants to suncatchers and spinners, incorporating everything from arrowheads and keys to all things sparkly, all of my pieces are individual creations unique unto themselves.

#### Margaret Stillwell

Art is a third career for Margaret Stillwell, following teaching and ranching. A series of injuries and a long recovery led Margaret to art school in Arizona. There she studied the masters in oil paint and the more modern techniques and perspectives of abstracts. She added those techniques to her own style of Abstract Realism. This is a form of expressionism using bold colors and brush strokes. Stillwell has art in local galleries in Carson City and participates in the Reno Tahoe International Art Show in Reno. For more information, please follow Margaret Stillwell on Instagram @Latigolady; on Facebook as Stillwell Fine Art or at her website [www.stillwellart.gallery](http://www.stillwellart.gallery).
