Alpine County Sheriff's Office Announces Updated Links for Reverse 911 Registration

Alpine County, CA – [March 6, 2025] – The Alpine County Sheriff's Office is committed to ensuring the safety and well-being of our residents and visitors. As part of our emergency preparedness efforts, we want to inform the community of updated links for our Reverse 911 system, which provides critical emergency notifications in the event of natural disasters, evacuations, or other urgent situations.

If you have **already registered** for Reverse 911, please follow the links to ensure your registration and login is up-to-date. We want to ensure your information remains in the system, so you will continue to receive emergency alerts as needed.

If you **have not yet registered**, we strongly encourage you to sign up today to receive timely and potentially life-saving emergency notifications. To register, please use the following updated link:
Registration URL: https://www.smart911.com/smart911/ref/reg.action?pa=douglasnv

For those who are already registered and need to log in to update their information or preferences, please use this link:
Login URL: https://www.smart911.com/smart911/ref/login.action?pa=douglasnv

Reverse 911 is a crucial tool for emergency communication, allowing authorities to quickly notify residents of potential dangers and provide necessary instructions. By registering, you ensure that you and your family stay informed during emergencies.

For any questions or assistance with the registration process, please visit the Alpine County Sheriff's Office website at: https://www.alpinecountyca.gov/204/Sheriff
