Collection Highlights

We have some fantastic news to share with everyone! Our extremely popular Parks Passes have received State funding for another year! These passes cover the cost of parking in participating California State parks! If you haven't tried a pass make sure you come check-one out from our Bear Valley Library, Markleeville Library, or Bookmobile!

These park passes are just like a book from the library, check one out, enjoy for three weeks, and then return it to the library for another patron to enjoy!

You can always place a hold on the next available pass through your library account if you see that they are all checked-out.

Book Lovers Day is August 9th! If you are looking for a fresh read and need inspiration ask a librarian! We always have tons of titles on our TBR and Goodreads!

Farewell and thank you, Lehua! ❤️

As we bid a fond farewell to Lehua (Danielle) Bonderer, we want to celebrate the amazing impact she's made on our library and community. In just two years, Lehua infused everything she touched with fresh energy and creativity—transforming Storytime into a lively weekly tradition, breathing new life into our long-paused newsletter, and helping patrons stay connected with programs, resources, and each other across both branches.

She jumped in wherever needed, tackling every challenge with grace, professionalism, and a big heart. Her contributions have made a lasting difference, and we're incredibly thankful for all she's brought to our team.

Thank you, Lehua—you'll be truly missed! Here's to exciting new adventures ahead!
